PLEASE BRING YOUR CATALOGUE ON SALE DAY

INTRODUCTION

Welcome to Ravensdale's Complete Dispersal Sale.

Thank you for taking the time to view our catalogue, Libby, Gabby, Simon and myself look forward to seeing you on sale day.

I have made the difficult decision to disperse our stud. The primary reasons being I turn 73 years this year and with multiple illnesses over the past few years it is time for me to pursue a slower paced lifestyle. I have thoroughly enjoyed being part of the Hereford world.

In the following pages we present to you many years of striving for genetic gain in our breeding program with the focus equally on Performance and Phenotype as represented by our Reference Sires, Stud and Commercial Bulls and Stud Females. Every year we have been excited with both our bulls and females as they just get better and better.

At Ravensdale our aim has been simple, to be a leading performance seedstock herd excelling in commercially important traits to improve clients bottom line. With the focus on fertility, live calves, growth rates and finishing ability.

Our final draft of bulls will be sold in April/May 2022.

OUR BULLS

Since inception we have used both Dubbo and Wodonga National Shows and Sales as a platform to measure ourselves against other Hereford Studs.

At the Injemira Annual Production Sale in 2020 thirteen sons of Ravensdale Wildfire L133 grossed \$205,000. Top price \$36,000, top five averaged \$23,400 and averaging \$13,666.

Our Bulls have gone into many leading studs and commercial operations (see Acknowledgements back pages).

OUR SUCCESSES - DUBBO

2014 GRAND CHAMPION Bull Ravensdale Elliott who was purchased by Jim Gunn of Sevenbardot later went on to win a Silver Medal in the Global Hereford Challenge.

2018 Ravensdale Guardian M222 (aka Bullet) was the top priced bull for \$32,000 and sold to Steve & Debbie Reid of Talabalba in partnership with Nikki & Mark Duthie of Callaway Poll Herefords.

OUR SUCCESSES - WODONGA

• Senior Champion • Reserve Senior Champion
• Reserve Junior Champion • DIVISIONAL WINNERS and • Most Successful Exhibitor.

OUR FEMALES have excelled in the annual The Stock & Land Heifer Challenge run in conjunction with BEEF WEEK covering southern NSW, Victoria & South East South Australia.

At Ravensdale we have strived for consistency.

PRE-SALE INSPECTION OF BULLS & FEMALES

Pre-inspections of Females can be arranged by contacting Simon Ward on 0428319521 or Libby Ward on 0488369568.

BIO-SECURITY & COVID-19

Please present yourself to the sale registration desk on arrival to register and receive directions and pen layout details.

SELLING SYSTEM

Sale of animals will be conducted under standard ALPA auction terms & conditions using bid card system. Buyers must register with the selling agents to obtain a bid card. Buyers are to settle with the selling agents on the day in cash or as otherwise arranged with the selling agents. All cattle are sold excluding GST.

Ownership of the stock shall not pass to the purchaser until full settlement has been received. This is even in the event of delivery being made.

SELLING PROCEDURE

All animals will be sold by video auction.

The auctioneer will control the order of sale and regulate the bidding. No bid shall be retracted. The auctioneer shall be the sole arbitrator.

The auctioneer reserves the right to refuse any bid.

Some lots may be subject to a reserve price. The highest bidder shall be the purchaser subject to any reserve price.

SALE DAY PROTOCOLS

Covid-19 rules will be observed on inspection day and sale day. This includes check-in procedures. On registration you will be given a pen plan.

ONLINE BIDDING

The sale will be interfaced with Auctions Plus on the day.

PHONE BIDDING

Phone bidding can be arranged by registering with the selling agents 24 hours prior to the sale.

OUTSIDE AGENTS REBATE

4% outside agents rebate will be allowed to licensed agents accompanying their clients to the sale or participating in Auctions Plus. 1% agents rebate will be allowed to those agents not attending but introducing their client in writing to selling agents 24 hours prior to the sale. Contact the selling agents or Libby Ward by email libby@rhxph.com.au.

TRANSPORTATION

Successful purchasers are requested to check off at sale office providing written transport instructions.

RISK & INSURANCE

All lots will become the responsibility of the purchaser on the fall of the hammer. The agents representative will be at the sale venue to arrange insurance.

TRANSFER OF ANIMALS

This will take place when full settlement has been received. Ownership remains with the Vendor and responsibility for the animals with the purchaser.

TEMPERAMENT, HEALTH & SAFETY OF VISITORS

Temperament is a high priority with RHX. Animals that are unsafe to be around do not remain the herd. On sale day due to changed environment animals may become stressed and behave differently. Please be cautious when in the pens.

Children under 15 are not allowed in the display pens. Over 15 must be accompanied by an adult.

GUARANTEE

As this is a herd dispersal all the risk lies with the purchaser at the fall of the hammer.

FEMALES INTRODUCTION

DIAMONDS ARE CREATED UNDER PRESSURE

Ravensdale Poll herefords aim is simple - to be a leading seedstock producer focusing on commercially important traits, producing fit and fertile bulls with growth and finishing ability.

With a registered herd of over 350 breeding females and around 150 heifers annually vying for a place in our herd. There is a lot of pressure on females to perform and remain in the herd or for heifers to be selected to come into the herd.

Our foundation females come from some of the oldest Hereford herds in Australia, including Merawah, Allandale, Days, Mawarra, Pine Hill and Mount Difficult.

Our entire herd is independently structurally assessed.

Our extensive embryo program has enabled us to accelerate the performance of our herd.

In 2021 we have placed embryos in both Injemira Robert Redford and NJW 79Z Z311 Endure 173D. Other embryos available by Anzac K220, Monymusk Gallant 110089 and Churchill Kickstart 501C.

Foundation female Merawah Irish Rose JDOB1 produced over 90 calves. At last count there

were still over 40 ET daughters in our herd and many granddaughters.

B1 sons have excelled. Ravensdale Elliott H202 was awarded Grand Champion at Dubbo in 2014.

B1 progeny have grossed in excess of 250,000.

Heifer calves are being sold separately to dams to give Hereford Youth and individual buyers an opportunity to purchase our genetics.

The remainder of our heifers will be sold in lots of ten.

Photos and videos will be available on Hereford Australia website - Sale Catalogues.

All "S" calves have been vaccinated with 7 in 1.

Photos and videos will be available on Hereford Australia website - Sale Catalogues.

A horizontal bar chart with categories listed on the y-axis and numerical values on the x-axis. The x-axis ranges from 0 to 100 in increments of 10. Each bar is labeled with its corresponding value at the end. The bars are color-coded by group: yellow for the first five items, red for the next three, blue for the next four, purple for the last six, and green for the final item.
